Notes:

1. The locations of private and publicly owned service and supply apparatus identified as existing, proposed, abandoned or temporary as shown on this drawing are purely indicative and for information only, and no guarantee is given to the completeness or accuracy of this information.

2. Prior to carrying out work in any part of the site, the Contractor shall be responsible for locating all existing service and supply apparatus, and agreeing the details of any required diversion and protection measures with the relevant Company or Landowner.

3. For details of existing undertaker apparatus refer to drawing series B1033200/CD/2700/EX/##.
