

Section 70 Grant Payments

In accordance with:

Transport (Scotland) Act 2001

Section 70(4)

Financial Year 2018-19

Scottish Government
Section 70 Grants accounted for in 2018-19

“Ministers are required to report to Parliament on the expenditure incurred each year under section 70 of the Transport Scotland Act 2001. The information which follows has been extracted from the Scottish Government’s finance system. As the finance system is maintained on an accruals basis the figures shown here reflect the actual payments made in the year, less any sums accrued from the previous financial year, plus any sums accrued at the end of the financial year. This basis is consistent with the basis on which the Scottish Government is required to present its financial statements.”
